

## **280 OUTRAGE**

### **PRODUCT HIGHLIGHTS AND INNOVATIONS**

#### **SPECIFICATIONS**

LOA: 27' 7" (8.34m)

Beam: 9' 4" (2.84m)

Fuel Capacity: 200 gallons (757 L)

Water Capacity: 28 gallons (106 L)

Rod holders: 13 (10 gunnel mounted and 3 transom-mounted)

Engine: Standard – Dual 225 Mercury® Verados

Optional – Dual 250 Mercury Verados

Optional – Dual 300 Mercury Verado™

#### **HULL AND DECK FEATURES**

The hull of the 280 Outrage is all new and features a 23-degree deadrise at the transom that increases to a very sharp entry at the bow. Two full-length strakes per side aid in handling and performance. With a ring deck design to improve cockpit roominess, the chine heights and widths have been optimized to provide a very dry and soft ride.

- *Notable innovation* – Thru-hull anchor system with recessed, covered, optional windlass.
- Ring deck design to improve cockpit roominess.
- Lockable port and starboard storage compartments in bow platform with storage racks for 3 fishing rods per side.
- Port and starboard forward storage net compartments.
- In-floor insulated bow storage compartment with dedicated storage for two 5-gallon buckets.
- *Notable innovation* – Custom molded forward console cooler with cushion and backrest.
  - Cooler and backrest nest into the bow platform to create a larger platform with filler cushions
- *Notable new Whaler feature* – Optional fold-down trolling seats port and starboard in midship interior deck coaming .
- Stainless steel toe rails with full-length storage shelves and four (4) downrigger weight holders.
- Large, in-floor fishboxes, port and starboard, with dedicated macerator pumps for each.
- All floor hatches feature draw latches with gasket seats.

*Features and specifications are subject to change. 9/15/08*

## 280 OUTRAGE PRODUCT HIGHLIGHTS AND INNOVATIONS

### HULL AND DECK FEATURES (cont.)

- Large aft cockpit bilge hatch for quick access to pumps, seacocks and other mechanical components.
- Flip-down transom bench seat.
- Port, aft tackle storage center includes two (2) drawers, six (6) lure bags and three (3) tackle trays.
- Patented stainless steel hawse pipe/cup holders, port and starboard, for midship and stern cleats.
- LED navigation lights.
- Recessed swim ladder that can be deployed from the water.

### HARD TOP/CONSOLE EXTERIOR

A key innovation in center console design, this integrated hard top has a fully nested console that provides more walk space along side, a clean, no-fastener look 360° around the console, plus comfort features demanded in a premium brand like Boston Whaler.

- *Notable Whaler Innovation* – Integrated hardtop, console and windshield system
  - Tempered glass bonded to the frame to eliminate canvas enclosures.
  - Beefy custom extrusions for the ultimate in strength.
  - Frame is recessed into the console to improve appearance and make passage from the aft cockpit easier.
  - Fasteners have been concealed to reduce maintenance and improve the appearance.
  - Audio speakers are hardtop-mounted.
- Electric windshield vent and wiper.
- Five (5) easy-access rocket launcher rod holders.
- Molded fiberglass hard top with storage/electronics box and canvas life jacket storage compartment.
- Electronics surface that will accommodate twin 12-inch displays, autopilot, and VHF.
- Mercury SmartCraft DTS controls, power steering and Vessel View engine monitoring system.
- *Ergonomics innovation* – Integrated, molded, dual-level (high/low) footrests.
- Captain's storage compartment with 12-volt receptacle and A/V jack for MP3 player.

*Features and specifications are subject to change. 9/15/08*
